We are just following his footsteps

Late Tulsidas Khimji
Founder
(1873-1957)

“ Values, ethics, integrity
and above all simplicity
will be the guiding
principles of our business
at every step.”

Our Vision

To be a premium global logistics provider with a clear focus on customer delight.

Our Mission

Enabling our customers to race ahead of competition by simplifying logistics.

Quality Policy

We at Tulsidas Khimji Pvt. Ltd. are committed to achieve a high level of customer delight by providing reliable, consistent and cost effective logistic solutions.

We shall be proactive to our customer's needs and expectations and are committed for timely clearance of consignments.

Our experienced and motivated team shall adopt a 'Quality Culture' and build upon a long lasting relationship with our customers and vendors.

We shall strive to continually improve the effectiveness of our Quality Management System by enhancing the skills and competencies of our team members.

The Company

Tulsidas Khimji was established in Mumbai in the year 1895. Since its inception, we've made a significant contribution to the development of international trade in India through our services that cover the entire spectrum of logistics. Initially warehouses were set up around Mumbai port for the benefits of exporters and importers.

Our vast scope of services include Air Freight Exports and Imports; Ocean Freight Exports and Imports; Customs Clearance (Air and Sea); Consolidation; Domestic Air Freight; Door-to-Door and Express services (International and Domestic); Project/Heavy Lift Forwarding; Auto Logistics; EXIM Consultancy Services; Warehousing and Distribution and Marine Insurance.

We were appointed as Cargo Agents by IATA as early as 1949. Tulsidas Khimji Pvt. Ltd. (TK) is one of the leading Custom Broker since 1917. We're also the authorised Cargo Agents for Domestic Airlines in India. Many major banks trust us even today for handling their bullion and foreign currency shipments.

We truly understand the importance of Human Resource in any service, and that's why it's our most valuable asset. We continuously invest in our employees' training, enhancement of skills, exposure to foreign markets, and above all, their participation in decision making. Our large team is led by qualified professionals with vast experience and expertise in the field of logistics.

We have already embraced a solid ERP system in the current digital era for all logistics-related solutions.

Each and every TK team member is committed towards providing **Excellent Customer Service (ECS)** to the customer.

Today, TK with a Pan India presence and worldwide network of partners covering over 195 countries has the expertise to handle shipments across the globe.

Air Logistics

We have been an IATA approved agent since the inception of IATA in India, in the year 1949. We have a well established worldwide network. Thus we are fully geared to handle every air logistics requirement across the globe, including Door to Door.

Air Exports

Our strong business networks and tie-ups with all major international airlines in India equips us with the ability to ensure best deals in terms of services and rates. We also provide consolidation and groupage services at the most competitive rates.

We ensure that the technological advancements are leveraged for the benefit of our customers. We were one of the first freight forwarding companies in India to establish satellite communication link with our global partners.

We've become synonymous with trust and reliability, and it's no surprise that leading foreign and Indian banks have regularly been entrusting their bullion and

foreign currency export shipments with us since pre - World War II era.

Air Imports

We serve our customers across the globe. We arrange air freight forwarding and consolidation of import consignments from any continent to any customs airport in India. We offer our customers with tracking services to track the movement of their consignment.

We are well experienced in clearance of specialized cargo such as live animals, food items, life-saving medicines, aircraft parts, ship spares etc.

Our Expertise

- Pharmaceuticals, Intermediates & Bulk Drugs
- Textiles, Fabrics & Garments
- Computers, Peripherals & Electronic Components
- Bullion, Foreign Currency and Valuables
- Automobiles and Ancillaries
- Project Equipment, Machines, Spares and Exhibits
- Perishables, Newspapers and Magazines
- Dangerous Goods (DGR)
- Live Animals
- Chemicals
- Third Country exports and imports

Ocean Logistics

Our Door-To-Door Services, groupage and consolidation of Exports and Imports make us capable to handle the movement of all types of cargo over the high seas.

Ocean Exports

Our association with major shipping lines, helps us provide forwarding services from every major port and dry port in India to worldwide locations. We link Ahmedabad, Chennai, Delhi, Bengaluru, Bhopal, Hazira, Indore, Kattupalli, Kochi, Kolkata, Krishnapatnam, Mumbai and Nhavasheva, Mundra, Nagpur, Pipavav, Pune, Tuticorin and Vadodara to international destinations. Forwarding, consolidation and groupage services are provided to ports located in North and South America, Europe, West Asia, Africa and the Asia Pacific region including Australia, Japan and China.

We are also a registered Multimodal Transport Operator (MTO) and offer multi-modal transportation and issue our own Bill of Lading.

Ocean Imports

Our extensive worldwide network enables us to arrange ocean freight forwarding and consolidation of import consignments from every continent, especially the USA, Europe, Far East and China.

We closely monitor the customer's shipment from the time the order is placed with the supplier till the cargo is finally delivered.

We are well experienced in clearance of Plant & machinery, Steel, Pharmaceuticals, engineering goods, ISO Tank Containers etc.

Our Expertise

- Plant and Machinery
- Steel and Forging
- Pharmaceuticals, Intermediates & Bulk Drugs
- Textiles, Fabrics & Garments
- Computers, Peripherals & Electronic Components
- Project Equipment, Machines, Spares and Exhibits
- Food Grains and Edible Materials
- Hazardous cargo
- Chemicals
- ISO Tank Containers
- Third Country exports and imports

Custom Broker (CB)

We are AEO certified and we offer efficient, expeditious custom clearance and delivery for both Import and Export shipments. Though one of the oldest Custom Broker in India, TKPL supports the initiatives of Indian Customs on its automation program.

All the TKPL offices transmit documents to the Customs computer server through Electronic Data Interchange (EDI). Besides regular customers, our services are engaged by foreign consulates, trade missions, International Exhibitors and Event organizers for import and re-export of materials. We also arrange for bonding, storage and ex-bonding of cargo.

Marine Cargo Insurance

We offer Marine cargo Insurance to our customers for both Export and Import cargoes through the leading insurance companies in India. We had been associated with Atlas Assurance Co. in the past, which subsequently became part of the Royal Exchange Group of UK.

With all these value-added services, we offer all solutions under one roof to our customers, thereby completing the missing links in the International logistics chain.

EXIM Consultancy Services

We offer specialized EXIM (Export and Import) consultancy services like pre and post shipment documentation, including banking formalities, liasoning with government agencies for various export benefits, and cargo insurance, thus offering a variety of services under one roof.

TK supports availing of benefits namely:

- Duty Free licenses: from application filing to obtaining the licenses
- EPCG licenses: from application filing to obtaining the licenses
- Closure of Duty Free & EPCG licenses and retrieval of the Bond and Bank Guarantee from Customs
- Drawback (DBK): fixing rates of DBK by ministry at Delhi
- 100% EOU transaction in Customs
- Excise related services
- Pre and Post shipment documentation
- Bank related issues for remittances, BRC, etc.
- Third country exports (Merchant trade)
- Re-import & Re-export shipments
- Obtaining Certificate of Origin, GSP, Legalization

Our Expertise

- Customs clearance
- Bonding and ex-bonding
- On time delivery
- Marine cargo insurance
- Pre and post shipment documentation
- Liasoning with government agencies for various export benefits

Project / Heavy Lift / OOG Forwarding & Clearance

Heavy Lift Forwarding is a specialized domain of freight and shipping business requiring immense expertise, experience and specialized knowledge.

We are well-equipped to handle all types of heavy lift and over-dimensional cargo from site to world-wide destinations. Irrespective of port of origin and final destination, our mission is to find an efficient solution.

Our worldwide network of partners share the same passion and expertise to provide the high standard of service and competitiveness. Thus we can undertake projects involving relocation of entire plant along with machinery and equipment at the supplier's site and forwarding the same to worldwide locations.

We're capable of delivering any kind of machinery and heavy lift equipment using road, rail, air or sea transportation. We are well equipped to load, transfer and set onto foundation such heavy and large machinery.

With our vast experience in global logistics, we can charter vessels and freighter aircrafts for project cargo and also provide specialized shipping solutions to expedite international movements of Heavy Lift / Over-dimensional and Project cargo.

We also offer tailor made solutions on heavy lift vessels, freighter aircrafts, break-bulk shipments, gearless ships and even semi-submersible vessels from carefully selected ship owners.

Heavy Lift & OOG Specialist

- Advance planning
- Marine Survey and Insurance
- Part and full Charters (Air / Ocean)
- Customs clearance through global network
- Door delivery through global network
- Third Country exports and imports

Automotive Logistics Solutions

We take every effort to truly understand the requirements of our customers. It helps us in offering them with customized Just in time (JIT) logistics solutions. Our services include Export, Import and National logistics services specially geared to meet the needs of the automotive industry. Through our global and national network, we ensure that our customers receive excellent coverage of their entire supply chain.

We offer value – added services to cover the whole supply chain of customers worldwide. We are a dynamic and innovative organisation with flexible resources aligned to support your supply chain in the most cost-effective manner. From logistics and distribution to quality assurance, we can design customised strategic solutions to support your growing needs.

Our process and commitment to continuous improvement equips our customers with the experience and specialised knowledge to make more informed decisions that help reduce costs, increase productivity and provide a

competitive advantage. All of our logistics solutions for the automotive sector are supported by strong IT systems.

Our mission is to provide high quality inbound and outbound logistics services that enable our customers to focus on their core business.

Customized One Stop Shop Solutions

- Help our customers to race ahead of competition
- Provide Export, Import and National Logistics services by air, ocean, rail and road
- Ensure flexible and rapid implementation of specialized automotive services
- Ensure customers get excellent coverage of the entire supply chain

Global Network

Very early in our journey, we understood the fact that to succeed in national and international markets, a robust network of national and global alliances is the key. Therefore, building business relationships, both national and international has been an indispensable part of our culture for more than 125 years.

We are members of WCA family, the world's largest and most powerful network of independent freight forwarders with a presence in over 195 countries across the globe. We are also a member of CARVRE 7, another network of independent freight forwarders

Other than being an IATA agent, TK is a member of FIATA (International Federation of Freight Forwarders Associations) and FFFAI (Federation of Freight Forwarders Association in India). We are also an active member of ACAAI (Air Cargo Agents Association of India), BCCI (Bombay Chamber of Commerce & Industry), AMTOI (Association Of Multimodal Transport Operators of India) and the local Custom Brokers Associations in India.

In addition, our contribution to freight forwarding fraternity has been well acknowledged. Our company's founder, Seth Tulsidas Khimji was the first President of Brihanmumbai Custom Brokers Association (BCBA).

Global Presence

- Pick up and delivery to any part of the world
- Tailor made global logistics solution
- Member of WCA family network & CARVRE 7
- Third Country Exports & Imports
- IATA agent since 1949
- Member of FIATA since 1965
- Member of prominent Chambers of Commerce & Industry

National Logistics

We offer efficient Airport-To-Airport services to all commercial airports in India and Door-To-Door services within its office network and associates. From perishables to time sensitive cargo like Just In Time (JIT) for the automobile industry, life saving drugs to high value bullion and foreign currency, we can handle all commodities with equal ease.

In addition, our Logistics Services are based on well-structured and documented systems that facilitate quality service by our staff and network associates.

Road and Rail Transport

TKPL arranges for road and rail transportation of shipments of their customers thus completing the missing links in the multi-modal transportation.

Warehousing

Warehousing is an integral link in the logistics chain and TK group has rightly identified its importance as early as

in 1921. TK group commands more than 1,00,000 sq.ft. of warehouse spaces in and around Mumbai and its hinterland, apart from warehouses in various locations in India. All warehouses are equipped with the latest communication and automation facilities.

Seamless Logistics Solutions

- Warehouse identification
- Record management and storage
- Warehouse management
- Inventory and Distribution management
- Just In Time delivery

Group Companies

T. KHIMJI ASSOCIATES
WAREHOUSING & DISTRIBUTION

National Network

As a result of India's rapid economic growth, various industrial clusters were established at various locations in the interiors of the country, and actively supported by Government policies. This also led to the setting up of Special Export Zones and ICDs.

Therefore, we have established offices at various locations in the country to offer international freight forwarding and logistics services. We have also established working alliances with like-minded service providers to offer international logistics solutions.

PAN India presence

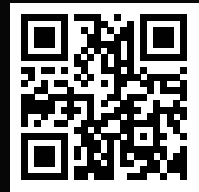

- Pick up and Just in time delivery to major locations in India
- Tailor made national logistics solution for each region
- Customs broking service from ICDs
- Warehousing, logistics and distribution solutions
- Approved cargo agent for domestic airlines in India
